

## 2012 Valentines Day Prebook

**Flower Order Deadline: Thursday , January 12<sup>th</sup>**  
**Plant Order Deadline: Friday, January 20<sup>th</sup>**

Here are a few things to keep in mind as you order your Valentines Week roses this year:

- We source our product farm direct, with farms we know and trust for their high quality. We'd rather do this than play "Market Roulette" - wouldn't you?
- We stand behind our roses if there is a problem. Not the case with every Miami "Market Roulette" broker. If anything goes wrong, we're here to fix it.
- Booking your product with us in advance assures you not only first pick of the highest quality product, but ensures you receive the best holiday pricing as well.

### Early Booking Bonus:

**#1** Place a pre-book order with us, and you can buy all the 50/60cm Colored Roses you want for as low as 99¢!

**#2** Place your prebook order before **Midnight New Years Eve**, and get special "Early Buy" pricing.

*See next page for details on these offers*
