

MIX IT UP!

Nervous about commitment? This is the program for you!

MIX IT UP! is a regular weekly order program that changes with the seasons.

You can pick any items you'd like from the *Mix It Up!* list at standing order prices, and your seasonal selections will run for the season. Every eight weeks or so we will mix things up again and give you a new assortment to choose from.

New this time - even shorter term products! We come across some great product that is only available for a very limited time. Watch for news from your salesperson - when we find a deal on these products we'll offer it for a two to four week period, but you have to work fast!

This seasons Mix It Up starts right away, so *get your orders in to your salesperson as soon as possible!* Pick as many varieties as you want - we don't mind.
