I hereby apply for enrollment, change, or termination of coverage as indicated above. Any coverage will be under the master contract between Regence and my employer and subject to the terms and conditions of the certificate issued under it. I agree to the employer's enrollment provisions and certify that those I seek to enroll meet the eligibility criteria. I understand that coverage does not start until I serve the employer's eligibility waiting period established in Regence's records.

SECTION 7 - ACKNOWLEDGMENTS AND AUTHORIZATIONS (continued)

I waive coverage of any eligible individual not listed on this application. I, or any other waived individual, may enroll at a later time during my group's annual open enrollment period or a Special Enrollment Period. If I waive enrollment for myself or any of my dependents because of other health insurance coverage, I may enroll the waived individuals if I request enrollment within 30 days after the other coverage ends. In addition, I may enroll myself or new dependents within 30 days of marriage or domestic partnership, or within 60 days of birth, adoption, or placement for adoption (if additional premium is due and paid for the child). Please call 1 (800) 505-6801 for more information about these rules.

This application will become part of the contract between Regence and my employer and I understand only an officer of Regence may change the terms of the master contract, its amendments, or this application. I authorize my employer to act as my agent in all matters of administration of the group coverage, and acknowledge that my employer is in no way an agent for Regence. I agree to pay the appropriate premium rates for myself and my enrolling dependents in advance, and authorize payroll deduction of premiums as required.

I authorize any source to release to Regence, any medical, health, employment, or insurance information requested for any enrolled member. I acknowledge and understand that Regence may request or disclose health information, other than psychotherapy notes (for which a separate authorization will be used), about me or my enrolled dependents from time to time to facilitate health care treatment or payment, to assist with business operations necessary to administer health care benefits, or as required by law. More information about Regence's uses and disclosures of information is provided in its Notice of Privacy Practices, available at regence.com or by calling customer service.

I certify that all information provided on this form is true, correct, and complete, and understand Regence will rely on it in making coverage and rating determinations. It is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits. I agree to promptly inform Regence in writing if any answer on this application later becomes inaccurate or incomplete before my coverage takes effect.
